Very important information:

- **DO NOT** drive in the grass between the cabins and the lake.

- **DO NOT** burn anything other than paper, cardboard, and firewood in the fireplace.
- If you bring a dog, please clean up any messes immediately. Dogs should be kept on a leash to prevent them from scaring other guests.

When you pack up to leave:

- Please make sure the cabins are picked up, dishes are done and trash is taken out.
- Do not leave any food in the refrigerator or freezer.

Note: We do have a few outdoor cameras to help make the resort safer and more secure.
